In order to provide our clients with the best possible experience at our facility, the Cedar Falls Recreation Center is proud to hire and train the most qualified fitness instructors for all of our classes based on, but not limited to; their certifications (preferred, but not required), their teaching background, experience, the instructor's personality, their availability to teach the majority of the classes during the time/days, ability to help participants modify an exercise and how all these fit or match the individual and the expressed needs of the participants in each class. We welcome your feedback to let us know how we are doing. Class availability may depend on number of participants signed up on the first of each month.

# CEDAR FALLS REC CENTER FITNESS CLASSES

## PRE-REGISTERED CLASSES

Our pre-registered classes are a great way to help you reach your personal goals! The classes listed below are an additional cost (noted in the descriptions). You must sign up at the front desk prior to attending these classes. A membership is not required to sign up.

### Rock On! *Extreme Class for Extreme Results!*

Classes include Cycling, Core Work, Boot Camp, Strength & Kick Boxing.  
**\$52/month**—1/2 price with membership

### Circuit Weight Classes

Build muscle strength, definition and endurance on strength training equipment. This is the perfect class for those looking to improve and maintain bone density. All fitness levels welcome! Prerequisite: Circuit weight orientation with a personal trainer; new registrants only.

**\$28/month**—1/2 price with membership

## FITNESS CLASSES

### Barre—All Levels

This class combines pilates, yoga and ballet to give you lean, sculpted muscles without impact! Barre is based on ballet's high rep principles to increase muscle strength and endurance while improving your mind-body connection.

### Body Blast—All Levels

A combination of cardio and strength training exercises will raise your heart rate and kick start your metabolism! This class incorporates all essentials into one powerful workout.

### Cardio Express—All Levels

A half hour of heart-rate-raising cardio that can be scaled up or down to match your needs.

### Chisel—All Levels

All the best strength training and muscle toning exercises rolled into one burner of a class. We use BOSU balls, stability balls, TRX Suspension Trainers, Odumbbells, body bars, resistance bands and glide discs for a full body workout.

### Cycling—All Levels

An intense but low impact aerobics class on a spinning bike set to great music and guaranteed to burn calories! First come first serve.

### Energize Cycle—All Levels

Low impact on your joints, fast pace interval training with upbeat music to help you push harder and go faster. Soft lighting to help focus with individual cycling goals.

### HIIT & Kick—All Levels

This workout combines high intensity interval training and kickboxing for a full body workout. Your instructor will design your workouts with multiple levels of intensity to allow you to work to the best of your own personal ability. Challenge yourself! Please remember to bring your kickboxing gloves.

### Low Impact Aerobics—All Levels

This low impact class will safely increase all areas of fitness for the beginner or those looking for an "easy on the joints" workout. This class uses steps, hand weights, mats, tubes, stability balls, weighted bars and glide discs.

### Powerhouse—All Levels

You want tough, gritty lifting sessions? Powerhouse is your answer. Build muscle strength and definition using the most current weight lifting principles including: progressive overload technique, "running the rack" and super sets. Your body will adapt to the constant challenges by getting leaner and stronger.

### Simply Stretch—All Levels

Stretching is an important component to your overall well-being. Stretching increases flexibility and range of motion and helps prevent injury and muscle soreness. It also helps improve posture and is a great stress reliever! Finish your mornings with a 30 minute stretch class!

### Yoga/Pilates—All Levels

Improve flexibility, core strength and muscle endurance in our yoga & pilates classes.

### Yoga Nidra—All Levels

Yoga Nidra provides gentle, restorative yoga poses with a majority of the class in supported "Savasana" with guided visualization and body scanning. This class is helpful for stress reduction, insomnia, fatigue, depression, and anxiety as well as general well-being. Just 30 minutes of Yoga Nidra is equivalent to a 2-hour nap! \*\*Recommended materials: Blanket/pillow for comfort

### Zumba® Fitness—All Levels

Dance your way to a fitter you! New, exciting and unique Latin dance moves that target every muscle group. A total body workout, combining all elements of fitness—cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

## 🕒 EXPRESS CLASSES

These classes are designed for all fitness levels and are a great way to fit a quick, but challenging, workout into your busy day!  
**Cardio Express • Chisel • Cycling • Yoga Nidra • Simply Stretch** See above for class descriptions.
